### 2. Other Discussion Items

The Attleboro Dye Works Steering Committee is an ad-hoc committee comprised of Town personnel, key stakeholders, and other agency representatives responsible for assessment, remediation, and redevelopment of the Attleboro Dye Works site. The meeting is posted and conducted as a public meeting. Public comment will not be taken, but written comments submitted in advance to the Town Planner, Conservation Agent will be considered. Public input and comments are a critical part of the process and will be solicited separately via formal and informal methods and future meetings held for that purpose.
